Professor James W. Helms

Will Oppose Abbitt

A professor of history and social sciences at Longwood College, Farmville, announced Tuesday that he will seek the Republican nomination for Congress from the 4th District.

James M. Helms, 42 and a native of South Carolina, made the announcement during a press conference in the Capitol press rooms at 10 a.m. Tuesday.

Helms' announcement makes him the first Republican in the 4th District to seek the nomination. The district GOP convention will be held March 21 in Petersburg.

District GOP chairman D. Dortch Warriner, has said the party will definitely name a candidate to oppose incumbent Representative Watkins M. Abbitt.

Helms has been secretary of the district GOP committee since 1964, when he left the Democratic party. In 1968 he worked as an organizer for California Governor Ronald Reagan's efforts to secure Virginians' support in his bid for the presidency.

Helms' race against Abbitt would be his first attempt to seek public office.

Helms has lived in Virginia since 1952 and has taught at Longwood since 1954.

Serving 16th Year

Holland Is Heart Chairman

Ivey Holland, marking his 16th year as Heart Fund Chairman, is hopeful that last year's fund drive which netted more than $1400 will be equalled and surpassed this year as February ushers in Heart Month.

Householders will be receiving requests for Heart Fund donations by mail and at the end of the month Heart Sunday volunteers will conduct a door-to-door.

Appomattox County is a part of the Piedmont Heart Association serving Appomattox, Amherst, Bedford, Campbell, Nelson counties and the city of Lynchburg.

Purpose of the Piedmont Heart Association, established in 1954, is three fold: Research Education and Community Service.

The Piedmont Heart Association has supported research in Virginia for a total of $20,030. This is in addition to the portion allotted to research from the 40% sent annually to Virginia and the American Heart Association.

A continuing education program is maintained for all levels of pre-college students on the prevention, causes and treatment of cardiovascular diseases. Charts, booklets, film and a heart model are available free of charge to all teachers. For the first half of the year, 18,500 pieces of educational material have been mailed, on request, to teachers. The two Lynchburg hospital schools of nursing consistently use Heart Association materials for training nurses in Intensive Care and Emergency Rooms. Mrs. Driskill will also do educational programs for Piedmont Heart Association.

An emergency Pacemaker was donated to the Lynchburg Academy of Medicine in 1967. Local doctors are aware of its availability and it has already in-service training.

"Modern Concepts", a medical paper is mailed monthly to doctors and "Cardio Vascular Nursing" is mailed every other month to nurses in the area. "Stroke - Current Concept of Cerebrovascular Disease" is mailed bi-monthly to doctors and nurses. Doctors and hospital stations are provided with diet manuals for distribution to patients by request.

The Piedmont Heart Association has been instrumental in establishing a Coronary Care Unit for the Lynchburg area. Approximately $3,000 was spent on investigation and nurses' training. For the 1969 - 70 year $2,000 was allotted for purchase of a complete teaching course in coordination with Virginia Baptist Hospital and Lynchburg General Hospital. One new phase of the work with the Coronary Care Unit is the hiring of a nurse, Mrs. Carol Driskill, for Coronary Care training. She works on a combined grant from Lynchburg General, Virginia Baptist and Piedmont Heart Association. She is training registered nurses from both hospitals and Bedford County Memorial for Coronary Care Unit work as well as been used a number of times.

Oxygen equipment has been donated to the 14 area rescue squads in the amount of $22,-757. This life saving equipment is put to constant use.

Equipment has been placed in 15 Loan Closets in the amount of $12,752. This equipment consists of wheel chairs, beds, walkers, etc. for the use of recuperating patients, entirely free of charge.

A spokesman for the Heart Association said, "Each year we have gone to the public for support of our program. The services above are made possible by the generosity of the public – not just in dollars, but in dedicated efforts and good will. People everywhere have come to understand that their gifts do not represent charity, but an investment in their own family's health and welfare, as a result of nationally coordinated efforts."

Last year a total of $1446 was given during the drive.

The Heart Fund chairman is secretary – treasurer of J. E. Sears and Co. He is active in many organizations and widely known in this area. He is commander of American Legion Post 104 and chairman of the 4th District Educational Oratorical contest sponsored by the Legion. In addition, he is a member of Appomattox Town Council, a member of the Lions Club and active in the program of Memorial United Methodist Church.

Crusade Names 1970 Chairman

James W. Rawles, executive vice president of United Virginia Bank/ State Planters in Richmond, is the 1970 State Chairman for the American Cancer Society's educational and fund-raising Crusade in April.

Rawles has been active with the Society for more than 15 years and currently is vice chairman of the Board of Directors for the Society's Virginia Division. He also is a former president and treasurer of the Division, and has served as a member of the National Society's House of Delegates since 1962. He is a graduate of the University of Virginia and holds a master's degree from the Harvard University business school.

As state Crusade Chairman, Rawles will lead more than 65,-000 volunteers in Virginia in their efforts to raise $1,100,-000 which will be used for the Society's programs of research, education and service.

Discount Support 50%

Discount Program Continues In '70

The flue-cured tobacco discount variety program will be continued for the 1970 crop. As in the past years farmers will be required to execute and file with the local county ASCS office a report certifying whether or not discount variety tobacco was planted on the farm during the current year.

The purpose of the discount variety program is to discourage production of certain flue-cured varieties which tend to produce tobacco with low flavor and aroma. The program was developed effective for the 1957 crop after serious threat to the industry which resulted from a production of the discount varieties in 1955 and 1965. The program has been in effect since that time.

With flue-cured tobacco plant bed seeding time at hand in Virginia announcement is being made to assure farmers use seed for the 1970 crop that will produce the varieties of leaf acceptable to the trade.

The price support loan value of the discount varieties is set at 50 percent of the loan value for comparable grades of other varieties. The discount varieties are Coker 139, Coker 140, Dixie Bright 244, Reams 64, Coker 316, 187-Golden Wilt and any breeding line having the quality and chemical characteristics of the discount varieties. The discount varieties named are in line with recommendations by the tobacco industry, and Federal and State research agencies.

IN MEMORIAM

IN loving memory of Mr. L. M. Wilkes who died five years ago, February 11, 1965.

God saw the road was getting rough,
The hills were hard to climb;
He gently closed his loving eyes,
And whispered "Peace be thine".

What is home without a father,
All things this world may send,
But when we lost our father,
We lost our dearest friend.

To those who have a father,
Treat him with loving care,
You'll never know his value,
Until you see his vacant chair.

Sadly missed by his wife, daughter and grandchildren. 2-12-1t

IN memory of my mother, Mrs. Edna W. Baldwin, who passed away thirty -seven years ago, Feb. 2, 1970.

Little did I know where dawn that morning,
What sorrow the day would bring.
The end was sudden,
The shock severe.
To part with one I loved so dear.

You do not know the sorrow to be left alone,
'Til God sends a message into your home,
Home is not home.
For she is not there.
Angels have taken her out of my care.

Dark is her room
Empty is her chair
She has gone to a land
So precious and fair.

Sadly missed by :Daughter. 2-12-1p
